

2006/2007

Dear Future SPF/SPP-students,

Over the whole year of studies various books, articles and statistics will be used. However, you will not have to purchase most of them. Many of the material needed is available in our library or has been collected in a folder in our office. They can be borrowed or copied for studies, please be aware that you might need an average of about **20,-** Euro for copies per month. Furthermore the ILO will provide some books for the courses.

Please find below an indication of part of the main literature, which was in used over the last year of studies.
